1. The Reissue Application includes 7 independent claims and 24 dependent claims. Of the independent claims, 3 are in excess of the number of independent claims in the original patent. Of the total number of independent and dependent claims, 11 are in excess of the number of claims in the original patent. Therefore, the fees are:

Basic reissue filing fee:	= \$355
Fee for new independent claims:	3 X \$40 = \$120
